

Hello Matey\_\_\_\_\_

Fall is finally upon us! Have you already made plans how to enjoy the season? The Autumn months are usually the best weather-wise. That's why many choose to go on trips and outdoor adventures during fall. Others take advantage of the nice weather to prepare their home and garden for the coming winter. There's definitely nothing wrong with both plans. Check out our most recent posts to know more

about fall hiking and home gardening. We're pretty sure you'll find something useful that'll make your next fall adventure safer and more fun.

Enjoy,

Tee Jay

## **Crops to Plant Now For Fall Harvest**

August is a good time to do some digging... in the garden, that is. If you have yet to rid your garden of old plants, now is the time to do so. Make some space for the crops to plant now for fall harvest. [Read More Here](#)
