## **Tommy Tinker Helps Select Plants for the Palace Garden**

Welcome back to The [Tommy Tinker Store](#). We're so glad that you could join us. I'm Tommy Tinker and today I'll be showing you some of the amazing flowers and floral décor which I've selected for the palace garden where my friends King Henry and Queen Olivia live. [Read More Here](#).

[The Lakeside Collection](#) currently has some magical lighted topiaries available on clearance. I thought these were so beautiful looking with the butterflies and stunning bright colored flowers. I'm going to put some of these in several of the palace gardens to create an enchanted feel.

Welcome back to [Teelie Turner Author](#). We're so excited to introduce you to Gigi the Chic Fairy. Teelie Turner has written an amazing new book about her. Final touches are going into creating this magical story for you. We'll let you know once it is ready for your enjoyment. In the meantime, we'd like to share a few items from [Gigi's magical Redbubble collection](#) of merchandise with you.

In the story about Gigi becoming a Chic Fairy, she has the opportunity to ride in a stunning carriage that belongs to the candy factory. A photo of that image was used to make part of Gigi's collection of merchandise on Redbubble. One of the stunning items is a tote bag which is available in small, medium, or large sizes. [Find it here.](#)

Another past blog that is so timely to share is a list of eight book suggestions that [Teelie Turner Author](#) has put together. These are some of the fairies' favorites. [Check it out.](#)
