Searching for Pumpkins

The little dog in the photo and I have been looking all over Fairy Land for an assortment of pumpkins to use for decorations. The pumpkin patches are usually overflowing with amazing colors and intriguing designs but right now we can't even find the pumpkin patches. Some sort of strange fog seems to be surrounding many of the gardens in Fairy Land. We hope that you'll have better luck finding the pumpkins. Try looking [here](#).

Miniature Treats and Candy Bags

I always enjoy setting up this fairy garden scene outside of the candy shop in Fairy Land. I'm hoping that if I use the right spell and some fairy dust, I'll be able to find it. The purple cake, spider and trick-or-treat bag are so cute. Full details about this scene are available [here](#).

Candy Corn and Treats Scene

I had been planning to set up this scene in the ballroom at King Henry and Queen Olivia's castle. I know that Kindy the Candy Corn Fairy will love it because of the candy corn accents on the miniature cakes. It also comes with a replica of a delicious bottle of orange soda and a cute bag with a cat on it. I may be getting warmer in figuring out who the culprits are when it comes to the missing Halloween decorations. I found a unique blend of fairy dust in the bottom of one of the boxes. Find this adorable scene's information [here](#).

Spooktacular Decorations

Spooktacular decorations also
make a party a lot more fun.
