Hello welcome to the fairy country and my fairy farm. Let me introduce myself, I am Farmer Furgus one of the oldest fairy farmers in fairyland. I am well-equipped to help you with any of your farm needs. If you need chickens, pigs, cows or any tips on farming I'm here to help. Fairy farming has been around for thousands of years yet very few humans knew about it. We are having so much fun in fairyland now due to the fact of so many humans have become believers in fairies. In my own fairy garden my human is a believer and actually helps me with my animals and some of my farm chores. Remember if you need help is give me a shout-farmer Furgus here to help!
