If you're rebuilding your closet, it's best to have a number of minimalist pieces. These bare essentials are easy to style and wear to any occasion. Read more about our style suggestions [here](#).

Since the Olympics is just days away, we were inspired by it and created a few sporty looks you can try out. Cheer for your favorite team or teams by gearing up in a sporty style. Find more about which active wear we are loving right now.

Best Regards,

Teelie
