POPULAR BRAND OF THE WEEK:
MacKenzie-Childs

At MacKenzie-Childs, we delight in the details, and if there's one place in our company where all the details come together, it's in our Furniture Decoration department.

This is the spot where the beauty of our Finger Lakes location comes to life, painted as landscapes on tables and chairs. It's the place where polka dots, stripes, and florals all play nicely, painted in intricate combinations on cabinets and chests. And, of course, it's where checks become courtly.
